FIRST MATINEE EXCITES CHILDREN OF ALL AGES

Twelve hundred traveled to Never Never Land with Peter Pan and the gang on November eighteenth through the twentieth. This was the best response to any non-musical, according to director Arlie Holt. A matinee, the first at Oregon City, drew an enthusiastic crowd of children.

Peter Pan was Oregon City's first fantasy for childrens theater. To give variety to the plays performed, there probably won't be another fantasy presented until the student body changes.

Important extras that added excitement to the play, were Peter Pan's flying and such details as the alligator and the mermaids. These were important for a change of pace to keep the interest of the children. Another feature was the animals as scene changes, so the attention of the children wasn't lost after each part of the play was done.

The art work for scenery, handbills, and advertising was created by the art and drama departments. Scenery this year was some of the best done at Oregon City.

"An Experience to Remember"

HANS AHLSTROM - SWEDEN

I was asked to write something about my stay here, how I like it and so. What can I say? Great! Life here isn't that different from where I come from. People ask, "Are you really from Sweden?" Big deal! I feel pretty Americanized by now. It's been alright so far. I hope the second half of the year will be even better with graduation, summer, and parties coming up. Sweden is said to have the nicest girls in the world. But not as long as OCHS is around. I'm not going to forget all you guys and I'll try to make it back some day.

FULVIO ZENDRINI - ITALY

Hi there! You know what? I'm very happy to be here this year. This experience is great, and I'm glad that I can share it with all the students at OC High. When they ask me, "How do you like it here?" My only answer can be, "It's so different! And it's not really very different in food, (They are only alittle bit sweeter here.) You can find almost everything over there too, but peanut-butter. I miss my town alittle but I think that here is great!

MIRIAM COMPOS-MEXICO

Hola, I'm Miriam and I came here on the International Fellowship Exchange Program. I have had fun and seen many new things. I liked ice skating and going to Mount Hood the best. We don't have snow where I live because it's too hot. I thought there would be more snow here. I was afraid to come, but I have become accustomed and like it. Your schools are different because they aren't geared only towards academics. I knew almost everybody in my school, there weren't so many groups. I always thought that Americans weren't very friendly, but that isn't true. I will train to be a lab technician when I to home. I hope someday to return to your country. Adios Amigos!

NANCY OCAN-EQUATOR

Hello, my name is Nancy. I came here with the American Foreign Exchange Program. I was really excited to come here. One thing that I have liked alot is meeting the other exchange students visiting the United States. When I came I didn't know very much English, but I have learned much while here. When I return home I hope to be a lawyer. The most important thing that I have learned while here is how much I love my country, and my family and friends. It has been a good thing to come here and I'm happy I did.

6. Martha Chamorro-Motta from Paraguay, giving a dancing demonstration at the AFS Assembly.
7. Also performing for the assembly is Mads Axelson from Denmark.

This summer for the first time AFS sent a student on the Domestic Exchange Program. The student chosen was Beth Schaap. She stayed in a suburb 35 miles from New York City called Chappaqua. Rich and upperclass this township was about the same size as Oregon City. During her stay Beth took summer school classes at Horace Greeley High School. According to Good Housekeeping it was labeled "Hangover High" because of the high rate of alcoholism. She also enjoyed many activities taken for granted by teenagers there: parties, tennis, swimming at elite clubs. Even though Beth enjoyed her stay she was happy to come home.

AFS

EXCHANGE STUDENTS FIND HOMES

Hard work last year paid off as AFS welcomed two new exchange students, Nancy Ocan and Fulvio Zendrini. "Problems finding a home last year kept us from getting a student," according to Mrs. Mattich. Happily, this year homes for Nancy and Fulvio were found.

Each year activities like car washes, licorice sales, and dances are held to raise the $800 needed for a student to come to our school. The annual haunted house project also contributed $200.

In addition to Nancy and Fulvio, Rotary Club sponsored Hans Alhstrom, and International Fellowship sent us Miriam Compos.

During the year, the students enjoyed restaurant quisine native to their countries. In February, area schools took part in AFS Day where exchange students met and talked about their own countries.

Order of the Big "O"

FASTER THAN A ROLLING "O"

Stronger than a silent E, able to leap a Capital T in a single bound. It's a word, it's a plan, it's letter man-no it's a letter person. This year's Boy's OC and Girl's OC have combined together to make the Order of the Big O. We have new advisors this year who are Mr. Greg Lord and Mr. Tom Hurt.

To be a member of this club you must have earned a letter in any sport or 6 points for participating in a varsity sport. If you have earned a letter and want to become a member then the club votes a person in. The club raises money to help out the school with any projects needed for the school.

To help raise money this year, the club sold pepperoni sticks and put on a dance at the Clackamas Community Center. The money raised was to help pay for the carpeting in the weight room.

Big Little Sister Tea

WHEN I WAS A ROOKIE

On September 17, 1976 over 150 sophomore girls pushed their way into the cafeteria looking for their big sister. This event takes place every year, the senior girls greet the new sophomores, who are frightened and scared stiff. The tension is soon eased by their big sister, giving them gifts and words of encouragement.

Talking about school and if the little sisters are getting along with other students is usually the main topic. Entertainment for this event was a few songs played on the piano by Patty Campbell. The juniors served at the tea which coffee, punch and cookies are served.

2. The announcer for this year's tea was Eileen Elting, one of the senior representatives. The representatives for the junior class were Anne Peterson, Sue Gerritsen and Nancy Andrews. The three seniors seated on the right hand side were Rita Grand, Anita Hampton and Jenny Jarboe.
3. Laughing at the sophomores who have not found their big sisters is junior, Cindy Potratz. Cindy served at the tea with other juniors.
4. Bunched together and singing a song especially written for the sophomores are the senior girls. "When I Was A Rookie" was the title of the song which the seniors sang, written by Anita Hampton.
5. Flowers and other gifts were given by the seniors to greet the sophomores to the school. Little sister Cindy Schroeder is given flowers by her big sister Terri Irvin.

PEP ASSEMBLIES

This year the amount of school spirit was greatly increased from that of last year. Part of the reason for this improvement was the addition of the rally leadership class headed up by Mrs. Lechner. The girls from both the fall and winter rallies met each day during sixth period to plan pep assemblies, make posters, and do whatever they could to promote school spirit.

The addition of rally boys during the basketball season added a new twist to pep assemblies and games. This years rally boys were: Fulvio Zendrini; Phil Blanton; and Leon Borgmeier.

Other highlights of the year included Bryan O'Neal, D.J. of KPAM; Craig Walker, D.J. of KGW; a tricycle race between the student body presidents of Lake Oswego and Oregon City, and the sensation of the nation-the Jets.

6

SPIRIT WEEK

Student participation was on the up as many lined up their autos for Monday's car beauty contest, sponsored by A.F.S.

Tuesday student council organized a hilarious lunch hour by putting on the "GONG SHOW". Crazy hat day also came on Tuesday. Lampshades and outrageous hats set the mood for the record setting contest. Grapes, marshmallows, bananas and pop were the menu for lunch at least for those who gorged it down to be the fastest in their event.

Shooting, fighting and protecting the Godfather was the goal set for gangsters on Wednesday, also the stageband played through both lunches.

An explosion of red hit OCHS on Friday, as students really took "Big Red" to heart. Spirit was on the up for our homecoming football game with Lakeridge.

Excitement grew to halftime when the Pep band and Jets presented their halftime show written by senior Loretta Kennedy and junior Linda Bauer.

"Raquel" the bionic robin, Loretta Kennedy, flapped her wings to "Fly Robin Fly".

To conclude the 1976 Homecoming a great turn out of students came to the dance, the theme was "Yesterday Once More".

Spirit Unlimited

GIRLS BRING SPIRIT BACK TO O.C.H.S.

Pep club made some major hanges over the last year. It s no longer known as pep lub, but as Spirit Unlimited. he reason for this being that hey felt a new name would ive it a new start.

The group became involved n some new activities. Over he summer, they participated in the Territorial Days Parade. The float that they prepared and entered, gained them a Grand Sweepstakes award.

Another new activity in which they became involved with was to have a Secret Pal on the baseball team for one week. Each day they would decorate his locker, bring him something special, or make posters. Some of the girls did all three.

This year was just a start, but next year should be even better. With a little more enthusiasm, and a few more girls, it should be one of the best groups ever.

STUDENTS GET INVOLVED IN FOREIGN LANGUAGE

At OCHS there are three foreign language clubs in which students participate: Spanish, German, and French. Each year these clubs have several meetings, bake sales, and activities. Some of the activities they participated in this year were: The German Club took a train ride to Seattle for a day. The French Club went out to dinner and went to see a french movie. The Spanish Club had two teacher luncheons, a halloween party, and a student luncheon. They also went on a field trip to Portland State.

SPEECH CLUB TALK THEMSELVES INTO COMPETITION

OCHS Speech Club is an all year activity, running October thru June. Mrs. Neuman, the Speech Team adviser, encourages students to join any time during the year.

Competition throughout the state include tournaments of individual events and debate in the Wilco League, at universities, and at other high schools.

Dawn Crismon and Jane McMurray took first place in the Cross Examination Debates at South Salem High School, and in Wilco League; third place was awarded them at the district tournaments.

Phil Blanton, in Lincoln Douglas Debate, took second place at South Salem High School, and first place in Wilco League.

In the individual events, Jackie Giles took second place in Expository Speaking at South Salem. Dawn Crismon took first place in Expository Speaking at district, qualifying her for State Competition.

Finalists at assorted tournaments include Phil Blanton, Dawn Crismon, Jackie Giles, David Herd, and Jane McMurray.

The fun side of the Speech Team include a summer barbeque at Mrs. Neuman's home, a fall trip to Farrell's an end of the competition season beach trip to Manzanita, and a Spring banquet to honor Speec Club members. The Speech Team sold candy to provide money for summer work in debates and individual events and to provide funds for social activities.

Majorettes

A burst of applause fills the gym as twenty-six girls run onto the floor. The familiar chords of "Onward OC" begin and with near flawless perfection the "Sensation of the Nation" perform. What was behind this two minute presentation? Grueling practices, a lot of dedication, and just plain hard work.

Under the direction of a new choreographer, Cyndi Kunzman, the Jets incorporated five new dances into the usual favorites. These new dances used jazz dance moves to the music of more recent disco hits like the "Hustle."

Besides performing at pep assemblies and in the spring drama production of "Music Man", the girls also danced at a Portland State football game, in the Territorial Days Parade, and at a Shriners Convention in Portland.

In addition to Ms. Kunzman the Jets gained a new faculty advisor, Mrs. Florence Bradley.

1. Lending a helping hand to Holly Christie is former Jet and now choreographer, Cyndi Kunzman.

6. Concluding a number during halftime at the offset of the Pioneer basketball season, is the sensation of the nation, much to the delight of onlookers.

This year's Miss Flame court consisted of Holly Christie who was chosen queen, Darla Rollins, and Sue Dugger. Unfortunately, the dance was cancelled because the band didn't show up, but the girls did get the chance to grade posters at various grade schools. They will get the chance to appear in the Territorial Days Parade.

MORE THAN A FEELING

"More than a Feeling" was this year's theme for the homecoming dance. The dance was sponsored by the junior class and was put on for Pauline and her court. The band that played for everyone was Rapid Transit. When announcing the court at the dance the senior escorts carried Pauline and her senior princesses.

Queen, Pauline Leniger, was quite surprised when she was crowned by last year's queen Debbie Reiley. Pauline said "It was a dream come true for me to be crowned." Ken Calhoun said "it was too bad we lost the game by a close margin." We played Hood River and the score was 44-50.

MUSIC MAN COMES TO O.C.H.S.

All aboard to River City! On April 28, 29, and 30, The Music Man was presented at Oregon City High. Starring in this play was Casey Drebin as Professor Harold Hill and Sue Dugger as Mariam Paroo. Prof. Hill is a con man who wanders from town to town taking money from the people while telling them he was a band director and was going to help keep the children out of trouble. His plot was to leave town before the instruments arrive, but this time he fails. Prof. Hill falls in love with the prim and proper Mariam who is the town librarian. A happy ending concludes the play with the creation of a band and Mariam finds her true love.

The musical was a great success under the leadership of Arlie Holt. And a special thanks to Gregg Lacy who used his creativity and talent to put together all the scenes for the play.

1. The Barbershop Quartet featuring Dan Holliday, Duffy Coffman, Fulvio Zendrini, and Tim Bunch use dress rehearsal to put finishing touches on scene.
2. On the train to River City, traveling salesman discuss the addition of Prof. Hill.
3. The Mayor, played by Keith Drew, looks in amazement as the instruments arrive.
4. "You've got trouble!" exclaims Prof. Hill as he stirs up the town.
5. The proper Mariam refuses Harold Hill's attentiveness.
6. Mariam; Sue Dugger, and Harold Hill; Casey Drebin, pose for a picture during dress rehearsal.
7. "What are you up to now?" asks Marcellus (Jim Roberts), as Harold Hill makes another attempt at starting a band under the "think system".

Outdoor School

HAIL, HAIL THE GANGS ALL HERE!

Imagine 100 to 120 sixth grade students in a setting of mountains, and living in cabins. That's what outdoor school is all about.

From April to May, Camp Arrah Wanna, Wemme, Oregon; is invaded weekly by masses of sixth grade students, teachers, and counselors. Out in the midst of this wilderness, the students are taught about wildlife, water, plants, soil, and survival. The people responsible for teaching these study groups are none other than our own high school students. Thirty nine guys and thirty nine girls are chosen to be cabin counselors and unassigned counselors. Each of these counselors help teach under the leadership of one of the sixth grade teachers.

But outdoor school isn't all hard work, a lot of fun is involved too. The students are allowed to choose their own form of recreation from a list including: bait casting, box hockey, hiking, archery, and rifelry. These also are taught by the high school counselors.

Towards evening, campfire is held outdoors (weather permitting). The counselors lead songs and everyone is involved in skits and other forms of entertainment. Taps ends another day.

HONOR SOCIETY SETS HIGH STANDARDS

A dance featuring the West Coast Funk Ensemble was the money maker this year in Honor Society. The money was used for the induction and a trip to Cannon Beach.

To qualify for the Honor Society the student must complete the sophomore year and one year at Oregon City. The grade point average must be and remain at 3.50. A 3.65 grade point is required the semester before induction. Leadership and service requirements are obtained from extra curricular activities such as clubs, student body administration or sports. An evaluation of character is made by the faculty for the students who pass the first two requirements. The students are evaluated for dependability, consideration, self-discipline and sincerity. Those who pass these three requirements are inducted into the Honor Society. This year the inductees were introduced by birth dates and lit candles symbolizing the completion of the scholarship, leadership, service, and character requirements.

1. Building sand castles or attempting to are Tim Misley and John Nelson on the Honor Society Cannon Beach field trip. They tried to build it larger, but the ocean destroyed it before it was finished.

2. After playing baseball and wading in the ocean this group of Honor Society students are hungry and ready to eat.

3. Loretta Kennedy is ready to hit the baseball while Jackie Giles, Mr. and Mrs. Mc Corkle, Ann Twombly, Monica Jo and Tami Lang look on.

4. Christy Strubar, a new member, lights a candle as part of the Honor Society induction.

5. Introducing students in August for the induction is Anita Hampton.

FOOTBALL COACHES SPARK POSITIVE ATTITUDES

This year, the Oregon City Varsity Football team wrapped up the season with a 2 and 7 record. The record showed the overall season but not the closeness of the scores, the improvement, experience, and the willingness to win. OC started a new season with new coaches.

Coach McCarty--"Their attitudes were tremendous, and improvement was great. We were about 44 seconds from having a winning season. 1977 will be very exciting."

Coach Ward--"This year's football team improved in poise, competitiveness, and determination week by week. The positiveness of the players led us to believe that we had a more successful season than indicated."

Coach Lord--"I love coaching for OC. We turned the corner this year in attitude, persistance, and self-discipline."

Coach Wegner--"It was a very rewarding year seeing a young team progress as they did in both attitude and performance."

TOP ROW: Coach McCarty, Jim Rasmussen, Leon Borgmier, Larry Potts, Bill Terry, Dave Gritzmacher, Larry Strong, Dave Van Damme. SECOND ROW: Coach Wegner, Ken Calhoun, Dan Fisher, Scott Lindquist, Don Anderson, Eric Carlson, Craig Groner, Bill Mathews, Steve Strain, Jerry Hahn. THIRD ROW: Coach Ward, Tom Norris, Dan Campbell, Chris Clanton, Steve Hulgren, Casey Drebin, Tom McNeal, Wally Olson, Tim Miller, Jerry Peterson. BOTTOM ROW: Coach Lord, Dave Marquardt, Larry Adams, Richard Smithson, Dan Schumaker, Mark Snook, Eric Gardner, Ken Kiger, Tim Misely, John Nelson.

3. Larry Adams striving for the extra yardage needed for a touchdown in the Oregon City-Lakeridge game.

VARSITY FOOTBALL

We're rough and tough and rowdy young men,
out to play football and ready to win;
willing to stay in there and stand by our side,
lifting our heads and giving us pride;
when we were down in our moment of dispair,
we'd look to our right and our coaches were there;
we were small but tough and full of might,
willing to stay in there and ready to fight;
we tried and we lost, we tried harder and won,
we worked in the rain and we worked in the sun;
we laughed and we cried and the times were great,
and we'll return again in "78".

1. Coach McCarty
McCarty started this year as O.C.'s Head Coach. He had previous experience as Head Coach at Lebanon High School for two years, and eight years at Centennial where he coached backfield offensive and defensive. While coaching at Centennial, he obtained the nick name, "Big Mac".
2. Coach Ward
Ward assisted Coach McCarty in coaching of the backfield, offensive and defensive. He gained experience coaching Corvallis for three years and South Salem for three years. His common phrase often heard is "Geezy Peezy".

NEW COACHES FOR PIONEERS

3. Coach Wegner
Wegner coached offensive and defensive linemen and linebackers. He coached two years at Aloha High school and two years with coach McCarty at Centennial. Through his coaching he gained the nickname "Stump" and the slogan "Super".
Coach Lord
Lord coached offensive and defensive linemen. He gained his experience as frosh coach for U. of O. He then went to coach for Linfield College for two years, and on to Roosevelt High School for two years. His often heard quotation is, "I Can't Believe It".

VARSITY RALLY HAS PIONEER SPIRIT

This year Varsity Football Rally started Spirit Week off with a secret pal--one of the Varsity Football players. They surprised them with cakes, candy, toys, stuffed animals and anything else that would fit in a locker. At the end of the fun-filled week the players were told their secret pals, and greeted them at the pep assembly with flowers, stuffed animals, candy, kisses, and anything they could fit in their arms.

This year's Varsity Football Rally advisor was Ms. Lechner.

J.V. FOOTBALL LEARNS IMPORTANT LESSON

The lesson to be learned from team sports is sacrifice. A young man coming out for football at OCHS will learn that working with others toward team goals rather than personal gain is very rewarding. This team concept teaches a player that he has a definite importance to the team, but that he must also rely on others. The junior Varsity Football Team is a player's first introduction here to this idea and on this year's J.V. team the lesson was well learned."

A male coach hired for a girls team was a first for Oregon City. Mr. Tom Hurt, the new coach, graduated from O.C. in 1971. This was the first time Mr. Hurt had coached girls and commented that "The girls did an outstanding job of adapting to a new situation. They did a super job!"

Adjusting to a new offensive play, and coach, was a new experience for the returning players. Last year's returnees were Cecelia Herberger, Betsy Strance, and Leanna Mountjoy. The other members consisted of Terri Kidman, Evelyn Vickers, Cindy Kidman, Bonnie Dillman, Lisa Snethen, Janie Nelson, Jan Riggs, Sheliah Merlian, and Romy Skaper.

The J.V.s' did an excellent job of playing. Coach Karmin Tomlinson stated "it was exciting, and a new experience for her coaching a young and aggressive team." The season ended with a 6 win 6 loss record.

RUNNERS SET SEVEN NEW RECORDS

For the first time in three years OC harriers defeated both opponents at a duo meet. This was just one of the seven school records set this year.

The season started off on a positive note as turnout was doubled compared to last year. Another first for OCHS, we finally had full girls varsity and boys freshmen squads.

Stand out runners for the season were Senior Mark Hirota, varsity record holder; girls j.v. record holder Debbie Harris, who placed second at district, and Jay Marugg, frosh record holder who placed sixth at district.

According to Coach Parkinson we had a successfull season. . . seven new records in '76-who knows what great successes '77 will hold.

OC's Swim Team had a successful year with the girls ending with a 8 win, 2 loss record. The boys, while not achieving a group success, sent Brian Finch to State, and individually improved. Brian completed in the 200 freestyle placing 12th and 5th in the 100 butterfly. Younger sister Heather in District placed 4th in the 200 Individual Medley and 2nd in the 100 butterfly. Heather also went to State and successfully placed 10th in the 200 Ind. Medley and 6th in the 100 butterfly.

Other State competitors were Teri McVay who in the 100 breast stroke placed 2nd in District and 14th in State. Placing 3rd in Dist. the girls Medley Relay consisting of Heather Finch, Lori Kumpf, Jody Moore, and Teri McVay, went on to take 6th in State.

JUNIOR GIRLS UPSET SENIORS

Juniors out fought the Seniors by a score of 14-8. Both teams played well, but through organization and endurance, the Juniors earned their points. Penalties were the downfall for both teams in roughness and foul play. Luckily, there were no serious injuries for either side.

In years past, the Seniors have won, and turning it around this year--the girls of '78 captured the victory leaving the Seniors with a two season loss.

Honored to be on the Swam Stomp Court were Sophomores Dave Connelly and Marty Martin, Juniors Kevin Barry and Leon Borgmeier and Seniors Martin Kennedy, Mark Herring and Phil Blanton. Phil was crowned King at the Pep Assembly that morning.

SOCCER TEAM BEATS LEAGUE CHAMPIONS

Beating last year's Wilco League Champions, Rex Putnam, proved that Oregon City had the better team winning with a score of 6-0. Jim Gorsek is the O.C. coach this year, who, in his spare time, is a stand-by goalie for the Portland Timbers and is on the Thunderbirds A team.

Luckily our team has stayed together, because we have a lot of rooks this year. We also have a shortage of players, because of last year's graduation, and people moving away."

GIRLS STRIVE FOR NEW SPORT

We don't have the height that most of the teams have but we do have twice the enthusiasm. Once that we get it all together, we'll be great! Since all of us haven't played together before, we don't know how each other plays. Next year and the year after when we have the experience and the techniques down, we will be having lots of victories.

We have a lot of Sophomores on the team who are going to stick with all three years. Watch out for us in 1978-79 because we are going to make it to the top!!"

BRIGHT MOMENTS LEAVE LASTING MEMORIES

The spirited Varsity I had height and heart. These factors led Coach Jim Worden to comment that this years' varsity had some very bright moments in which they knew that they had the capability to play good solid competitive basketball. The team had little experience playing together but this did not stop them fighting to win in the traditional Pioneer fashion.

Steve Davis and Russ Fillis were among the top rebounders on the squad and Dean Loney was top scorer with 131 points.

With the loss of only five seniors and the addition of some young promising juniors, next years' varsity should do well stated Coach Worden. Those seniors lost to graduation are Steve Davis, Dean Loney, Scott Martinez, Russ Fillis, and Robert Graham. Since this was Coach Wordens last year as menator of the Pioneer Varsity Squad, he will be sorely missed next season.

YOUNG TEAM PREPARES FOR VARSITY SQUAD

This years Varsity II lacked team playing experience and the cohesiveness necessary for a successful season. Coach Seizmore commented that the squad had the player potential and capability to have a winning season if the team had more time playing together.

Vern Stuck and Richard Ferguson were two of the top rebounders while Dave Moffitt was one of the key scorers during the regular season.

This years' Varsity II Rally Squad was very energetic. "We enjoyed cheering for team but I wished that more people would come out and see the team play," voiced Sophomore Romy Skaper.

Varsity III Squad

THE GOAL WAS SOLID BASKETBALL

The Spirit of '77 shined on the Varsity III Squad with an 18-3 record. "One of the best seasons a team can experience," stated Coach Sam Ibarra.

The toughest opponent was Lakeridge who proved the more experienced team by defeating the Pioneers 44-55 and 36-40.

Those juniors making outstanding team contributions were Dave Gritzmacher, Kevin Barry, and Eric Gardner. Sophomore Kris Newton played at a steady pace through out the season and should provide much experience next season.

Coach Ibarra can expect another successful season next year in '78!

UNSATISFIED WITH DUAL-MEET RECORD, WRESTLERS STORM INTO SUBDISTRICT

Forfeits: what a way to lose a match. Yet it happens all the time in Pioneer Wrestling, discouraging many fans and parents, the school board and the community--but it doesn't down the OC Wrestling team.

Individual powers burst forth at all the tournaments but none so great as at Sub-District. A total of nine matmen placed, seven going to District, the team taking second place overall with four individual champions. From there, a sixth place finish with two firsts and a third at District, finishing up with a twelfth at State. Coaches Jake Connelly, Sam Jones, and Larry Owings said it was expected of a team consisting of eight lettered seniors who will be sorely missed in coming years.

Rally One of Best Ever

"This years wrestling rally has been one of the best at Oregon City", stated Coach Jake Connelly. The whole team heartily agreed, sighting examples of interest such as the stocking caps the girls made for Sub-District.

Rally members were senior Juli Heindl, juniors Teresa Lancaster and Cindy Rodgers, sophomores Beth Jacobs, Dina Lindquist, and Jamie Blackhurst.

Mark Hirota and Roy Bonner Spark Best State Showing Since '72

After catching the state medal at the Oregon High School Wrestling Championship, Mark Hirota modestly stated, "It felt just like another win--I was more tired than happy." Hirota has achieved more at Oregon City since Rudy Johnson of '72, yet Mark doesn't think he is that good: lacking speed and strength, his experience and a trick of letting his opponent get an early advantage have led him to a 4-year record of 92-10-3; that's pretty good for someone who went out for wrestling because he wasn't good enough for basketball!

Roy Bonner is another great guy who has overcome great odds to gain fourth place at state. Roy excelled at wrestling because he didn't have anything else to do.

Two guys with nothing better to do--what a probable combination for the 12th place team in the state.

PERSONAL BEST ACHIEVED BY MANY

Girls Track this year had many handicaps against it. Not only was it a very young team but it also had a new coach. Mr. Ibarra had previous experience coaching track at Yamhill. This year he had one exciting win by beating West Linn for the first time in 3 years. Overall the girls had a good year.

HARAGAN GOES TO STATE

Boys Track

This year's Boy Track Team was an outstanding one with youth and determination. Even though the team didn't win many meets there were a lot of individuals who did an excellent job. Coach Parkinson was very optimist about his team this year and very hopeful for a good season.

At district this year we had Russ Fillis taking two places in the 440 yd. dash and in the 220 yd. dash. Richard Furgusion took 4th in the triple jump while Ron Haragan took 3rd place. Ron went to state with a new record for O.C. and was the only member of the team to qualify for state.

GIRLS GOLF GOES TO STATE, BOYS STAY HOME.

Oregon City High's girls' golfers went to state this year after a season record of 7-1. Coach Armstrong helped the team along, and after only three years, Oregon City's girls came on strong. Senior Cecelia Herberger sparked the team, as did her freshman sister Angela. Other golfers lead the way, such as Susie Gesley and Julie "Boz" Bausserman and Patty Campbell.

Perhaps the biggest news is that the girls' team was the first entire team in a state tournament for Oregon City in the last six years. This honor was clinched in an excellent second place mark at district, with Lake Oswego at the top. Finishing the season, the girls really shined at state, taking ninth place and leaving a proud coach and a strong upcoming team.

Another story was the boys' team. Though the scorebook said the season was 3-15, only the Oregon City boys' golf club can tell the whole story. The team, coached by Mr. Borgen, started out the season strong, with low scores and high expectations. Midway through their season, the team demolished their rivals the West Linn Lions. This started the spirit rolling, and the varsity team chalked up their three wins at this time. At the Wilco District tourney, the Oregon City golf team went in ready to do what they had last year. But the final outcome didn't match up, and the Pioneers placed thirteen in a fourteen team events.

Outstanding boy golfers this year were seniors Doug Doney and Pat Finney. Showing promise for the future are Matt Daschel and Mike Oades. Both will help in the overall team effort next year.

TWO PICKED FOR ALL-STARS

O.C. Varsity Diamondmen got off to a good start this year winning seven of their eight pre-season games. The only loss came when they went up against Jefferson in a close game ending 4-3. The mighty Pioneers came back winning the second game of the double-header with a score of 17-3.

In league action, the Pioneers went 9 and 10. The team was hindered by the loss of ace pitcher Mark Law, who was put out of action with a hyperextended elbow. Last year, Mark led the state with strike-outs and was picked for first-team all league. Law's shoes were filled by Jim Schrieber, Mike Golka, and Tom Norris.

Dean Loney, who gained second team all league as first baseman with wilco league honors at bat with a .476 average. Tom Herbst was tied for first team catching position. Mike Golka and Jim Schrieber won honorable mention for their efforts at the pitching mound.

Also gaining honors were seniors Scott Martinez and Dean Loney who were chosen to play in the all-stars game played at Mt. Hood Community College.

COACH PROUD OF IMPROVEMENTS

In regard to the team record, the season was not a booming success. However, with respect to the strides and progress we made during the course of the season, we can discuss it with pride and with our heads up. Victimized time and again by the big inning, the J.V.'s battled back and maintained their enthusiasm throughout. Pitching was probably the strong point of our season with Mike Marlett and Nick Johnson leading the way. Steve Mills and Scott Martin did an excellent job defensively, while Mills led the young Pioneers at the plate as well.

CHECK-MATE

A controversial decision snatched the second consecutive championship from the Chess team. The Corvallis team stacked their lineup which gave them the advantage over the Oregon City team. To stack a lineup a team changes the order of best to worst. This is advantageous by putting one teams best against anothers worst.

The preseason games went 3-0, the season games wen 10-0 and there were four 40-0 shutouts with several matches having lopsided scores. This was virtually the same record of wins as last year. Oregon City won over Corvallis for a First in State last year and might do as well ne year if we have a strong team!

1. Alan Knowles concentrates on making the right play to check mate his opponent.
2. Kieth Drew and Richard Becker are part of the Oregon City Chess Team.
3. Tim Misely and Robert Becker had a good season with the Oregon City Chess Team.

TENNIS ANYONE?

Oregon Cities tennis team was quite successful this year. Tom Hurt who coached the girls team did a fine job and was hoping his team could take 1st in district, but they had some bad luck with sickness and people on vacations. Lynne Barry had the most wins over the entire season with a 10-2 win loss record. While playing some singles and switching around with partners in doubles. Barb Good played first singles most of the year and did a fine job. The girls tennis team had a great season and proved it by the way they played.

COUNCIL BUILDS SCHOOL SPIRIT

7

During 1976-77, Student Council was divided into two parts: Associated Student Body officers and the individual class officers. This year the council has concentrated on overcoming apathy and promoting student involvement. They accomplished this by planning many recreational activities. These included Spirit Week, a second annual wrist-wrestling tournament, putting on an entertaining assembly entitled "Friday Morning Dead," and renting two foosball tables. The council worked closely with Guide Room Representatives, rewrote the school's constitution and court regulations, and took charge of next year's Student Body elections. The council has done many other things--too numerous to mention--that everybody appreciates. Overall, they had a very busy and successful year.

GIRLS LEAGUE GETS NEW ADVISOR

Starting out this year, Girls League sponsored the annual Big-Little Sister Breakfast. They began late in the summer, matching Senior girls with the new Sophomores. So, in the second week of school, the new students matched up with their "big sisters" for an hour of entertainment and an introduction to Girls League, welcoming them all to the Girls League Club. It went over well, and every girl found a new friend.

Then, in October, the student body here at Oregon City chose three Senior girls to reign during Fire Prevention Week. Queen Holly Christie and the two princesses Darla Rollins and Susan Dugger assisted the firemen in judging posters and handing out trophies at nearby grade schools. The Miss Flame dance following Oregon City's football game was put on by Girls League and the Fire Department.

Always busy, December brought on the Christmas Ball, also sponsored by the Girls League. The night went over smoothly after a month of preparation and a day of decorating. The Ball took place at Clackamas Community College on December 18th and the theme chosen by the club on that night was "Sometimes in Winter."

After Christmas came the new year which brought the Girls League a new advisor, Mrs. Rodgers. Our previous advisor was Ms. McCarty who had gotten the League rolling at the start of the school year. So, the girls waved good-bye to one great advisor and said hello to another. Ms. McCarty is now teaching in California and Mrs. Rodgers is taking her place at Oregon City High. In helping the girls, Mrs. Rodgers knew little of the club, but she helped them the most in the annual Mother-Daughter Tea and Fashion Show. She knew nothing about the tea, and lined up an excellent one in May this year. Mrs. Rodgers included art, sewing and cooking classes along with inviting not only mothers, but all ladies in the community. Sharon Rodgers also wrote a skit for the tea, and helped direct the Girls League officers act in it.

Throughout the year, Girls League has chosen a Girl of the Month with a trait for every one These girls, chosen by girls in the student Body, represented their month and then hand down the honor to the next girl. At our Mother-Daughter Tea, Rita Grand was announced as the Girl of the Year.

This year, the elections were conducted differently than the previous years. Before, four officers were chosen to head the League, without the titles of president etc. In the future, Girls League will go back to the traditional style, with newly elected officers.

All in all, it has been a good year for the Girls League, stepping over anything in their way and providing a club for all the girls here at Oregon City High School.

the Elevator

With two editor's-in-chief, a handful of veteran reporters and photographers and a sprinkle of Journalism I students, the Elevator Staff joined to publish an imaginative coverage of people and progress.

Alternating issues, seniors Lori Dewar and Phil Blanton acted as editor-in-chief, Phil also handling the editorial page and Lori leading the news section, with the assistance of sophomore Beth Thompson.

The sports section was coordinated by senior Pat Freeman with the help of Pat Finney also a senior, (you might say they had the production of a paper down pat!) While junior Eric Gardner proved his skill in both sports and feature editing doing both.

Many creative photographs and cartoons were provided by head photographer Dean Gibbons and cartoonist Steve

Oerding.

The huge obstacle of paying for each issue was conquered by Gail Crandell, who unfortunately graduated early, and Steve Allen who later lead the advertising department to conquer the needed funds each issue. In addition, 9 top awards were captured, the highest in Photography and Cartooning.

YEARBOOK GOES ALL OUT "COLOR"

As you have noticed this year's yearbook has 16 pages of bright color and spot color. The color is from the company that sponsors us and they are paying us back with color pages instead of damaged yearbooks.

At a Mass Media Conference held at Mt. Hood Community, 3 awards were taken. Cindy Kidman for organization of a yearbook, Lisa Griffin and Ida Fuller for continuity and the book itself took one for picture content.

This year's staff has been an excellent one with speed in getting deadlines met and with an excellent photographers. The editor has to work during the summer to make sure every page is correct. The staff had workshops on Saturdays and after school to make sure deadlines are met.

ART DEPARTMENT INVESTS IN A NEW GAS KILN

The art classes were really busy with the addition of the new kiln, the kids will be able to produce bigger and better things in their ceramic classes next year. Unfortunately, the art building was broken into. The kiln was not damaged, but Mr. Turpin lost $265.00 of his own. There was $5,108.13 of unmounted stones and $1,137.02 of art equipment taken. The kids are trying to reimburse Mr. Turpin for his losses through the sale of home baked goodies.

The supergraphics classes have been at work painting the girls gym and the hall by the nurse's office. Also, the art club drew portraits on the night of the Midevil Festival in December.

CHOIRS BUSY ALL YEAR

Oregon City's three choirs, led by Jeri Haskins, were on the go all year. Concert choir started off with a performance at Lloyd Center. They finished the first half of the year with a Christmas concert on the night of the Medieval Fest. The second half of the year was just as busy. They gave a late winter concert, then attended the Wilco League Choir Festival. This is a two day event in which all choirs from the Wilco League participate. Oregon City's concert choir received an excellent rating in evaluation. It was said that this was the best choir to come out of Oregon City in recent years. In early May the choir combined with the Clackamas Community College Choir and the Community Choir to perform "The Peaceable Kingdom." The concert choir gave its spring concert in late May with a lighter more popular music program. They then closed the year by performing at the AFS benefit.

Girl's choir is made up of inexperienced girls who want to sing lighter types of songs. They, too, participated in the Christmas, late winter, and spring concerts.

Free Spirit is made up of people chosen by Ms. Haskins. They sing modern popular music, giving concerts at grade schools and junior highs, and performing for various organizations. They also gave two concerts at the State Penitentiary. Every where they performed, Free Spirit was wel received and left a good image of Oregon City High School.

Concert choir: Laura Anderson, Andy Barany, April Barber, Jeff Bean, Richard Beanes, Kathy Bottorff, Janet Brandberg, John Brown, Tim Bunch, Betsy Bundy, Melinda Cook, Pam Cushman, Keith Drew, Brenda Ewing, Keeley Fore, Teresa Forncrook, Ida Fuller, Linda Garoutte, Jan Ginther, Teresa Golden, Brenda Hegar, Kathy Hegedus, Joe Herberger, Jackie Holt, Kay Homme, Keith Horton, Dan Ireland, Matt Jones, Teresa Junor, Jeff Kienzle, Cheryl Knight, Alex Kovulchuk, Karrie Kuykendall, Bev Markham, James Mathews, Brian Matlock, Collette McLain, Tom Moffitt, Janine Nelson, Jolene O'Leary, Genny Potter, Deana Pressel, Babsie Rau, Jan Riggs, Sandy Ronald, Polli Sanford, Lucy Sayre, Rebecca Sherriff, Mary Stearns, Wendy Swenson, Tracy Tamerius, Suzette Taylor, Sam Thompson, Allan Tompkins, David Tucker, Yvonne Vanderpool, Barbie Walczak, Juel Whitney, Kory Williams, Janell Winther, Jadene Young, Kathy Young, Fulvio Zendrini.

BUSINESS MORE THAN BALANCING A CHECKBOOK

Each of us at one time or another will find that knowing how to type or balance a checkbook handy, if not necessary. For those who plan to go beyond the basic skills and enter into the business world, business classes offer opportunity to prepare for the job market.

Shorthand 2 classes obtain volunteer workers who, for credit, experience, and no salary, work in an office in the community.

For added experience the Model Office students work in a simulated office situation. They have daily work to accomplish, incoming mail, files to keep, and are even required to call in if they are sick.

Typing 2, Accounting, and Bookkeeping classes spend the final term of the year involved in a large scale project. They receive packets that include the activities of an imaginery business for a month and have daily assignments to complete.

Delving into the world of income taxes and personal budgeting, Personal Finance classes give credit for preparing students to handle the future and its financial problems.

3

DRAMA CLASSES PROVIDE BEEHIVE OF ACTIVITY

As you swing back the heavy wooden doors you are met by the sounds of voices, a hammer and saw, and as your eyes adjust to the dim lighting you see people moving about on the stage, two boys carrying flats to the back of the auditorium. As you move down the aisle toward the front you hear bits and pieces of the plays "The Glass Menagerie" and "Mary Queen of Scots." On the stage two girls enact a scene from the "Miracle Worker" and beyond them a lion frantically attempts to untangle himself from a mesh trap with the aid of a kind mouse.

On another day if you entered here you may be greeted by silence and observe silent figures acting out obscure pantomimes.

It is important to note that without this year's drama and stagecraft classes "Peter Pan" would not have flown nor would the "Music Man" have been costumed.

English Classes

READING SKILLS STRESSED

This year the English department added three new classes. Adolescent Literature dealt with the problems of teenagers as portrayed in low level high interest novels.

Mastery Teaching was a method used in the Reading class. With this method the students learn the most difficult word in a story before reading it. English and comprehension skills are also worked on.

Speed reading was a skill studied in the new semester of College Prep. Another first for the class is a research paper as a final project. These give the seniors an in-depth writing course followed by an extensive reading course.

NEW OPPORTUNITIES FOR STUDENTS

The foreign language classes consists of French, German, and Spanish. Which are taught by Mrs. Potts and Miss Hawes. Some of their activities were puppet shows, a trip to a sidewalk cafe at CCC, where they joined with students from other high schools, to see dances and other activities. They also had a sale in which the students participated. The students were also given the opportunity to explore the outdoors in their learned language.

CHANGE HITS THE MATH DEPARTMENT

Change is the word that best describes the Math Department this year. Not only did they change locations but they also added a new member to their staff. The new teacher to the department is Mr. Shindledecker. Even though he is mainly a science teacher he does teach Gen. Math twice a day. But the big jump came when the Math Department was changed from the 1st floor to the 3rd floor. The teachers like their rooms on the 3rd floor because not only does it place all the classes in one general area but it also gives them plenty of room (they were slightly crowded last year.) The students also like this change because it gives them plenty of exercise climbing the three sets of stairs to their favorite math class every morning.

PHOTOGRAPHERS TAKE TOP HONORS

There is more to taking pictures than just saying cheese. This year at the Mount Hood Community College Mass Media Conference 246 entries proved that. Of the 246, twelve Oregon City photographers made it to the semi-finals. Eight advanced on to the finals and three placed in the top nine first place winners.

Entrants were: Dean Gibbons, Teri Kidman, Greg Kienzle, Wally Olson, Jack Thompson and Jenny Washburn.

With the talents of new photography students learning everything from taking a picture to printing, next year should prove even more successful.

2

1. First year photography student Wally Olson captured a second place award in the environmental division at Mt. Hood for this photo.
2. Catching this captivating moment was Dean Gibbons. Dean, always a winner, took second and third in the environmental division and fifth place tie for newspaper mail-in.
3. An expanse of open field won recognition for senior Jenny Washburn.

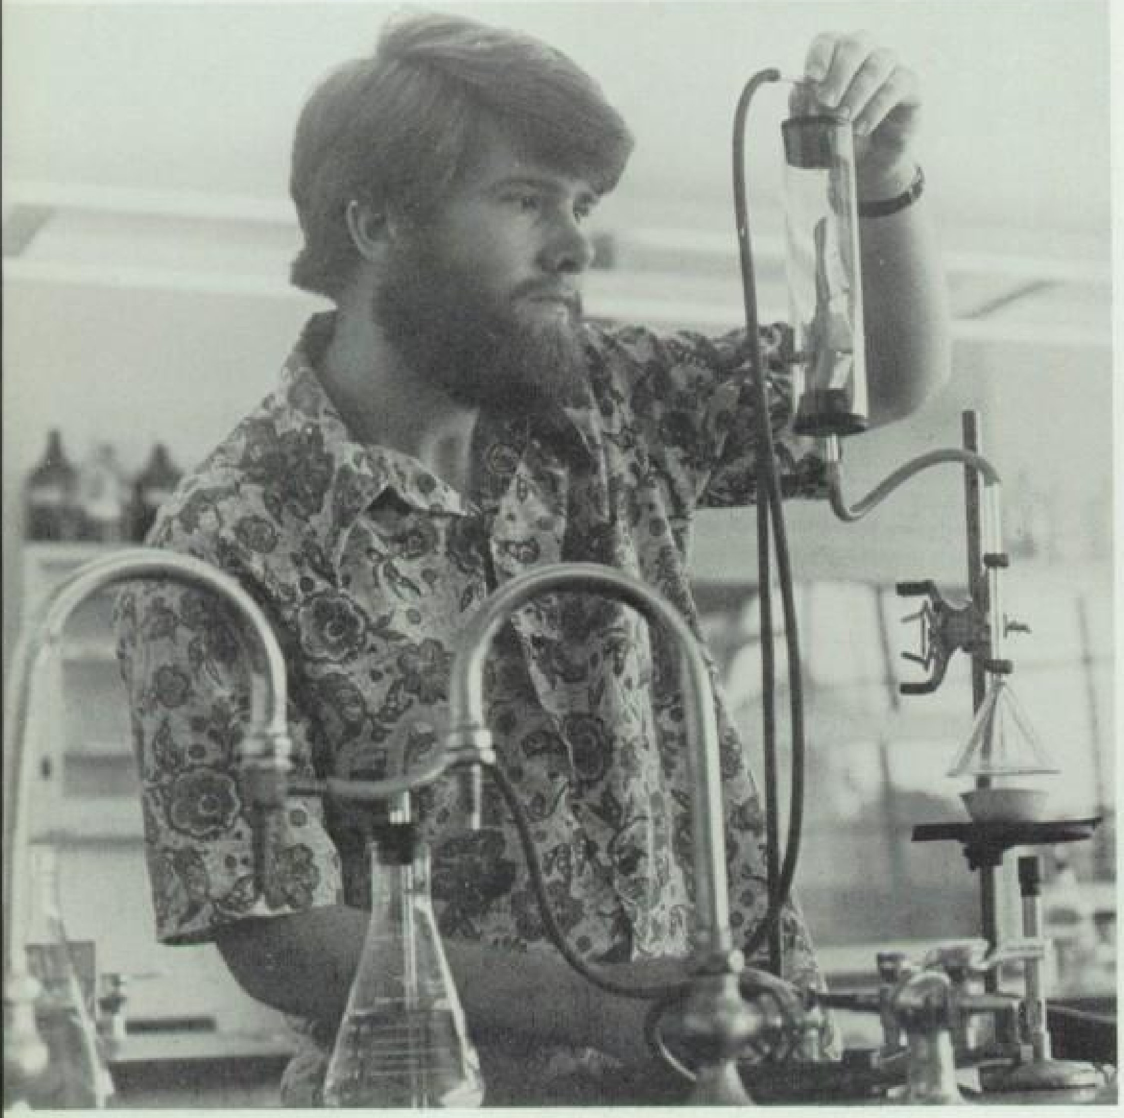
SCIENCE . . .

Filling the Need of Every Student



1

The Science Department budget took a big cut this year limiting them of new equipment and supplies. Nevertheless, science classes still offer a variety of different areas in the science field. From Biology 3-4, for the college-bound student to Explorations in Science for just picking up a credit, the Science Department fills the need of every student.

Joining the Science Department staff this year is Wayne Shindldecker teaching a new class called Explorations in Science.

The purpose of the class is to interest students in the awareness of how science affects them and their environment.

The seven students who signed up for this class spent several weeks studying the aspects of local government then embarked on the task of working in area governmental offices like the courthouse, sheriff's offices, and police station. Students became part of the system. With the backing of Sharon Rogers, a new social teacher this year, they did just about everything but busy work, including even riding on a Clackamas County Sheriff's beat.

STUDENTS LEARN WHAT LIFE IS ALL ABOUT THROUGH WORK EXPERIENCE

200,000 dollars in taxes were contributed to the community from earnings of students in the work experience program. A total of over one million dollars was earned during the school year, according to Don Anderson, work experience coordinator. Over three hundred students are involved during the school year, while over five hundred students participate during the summer.

The work experience program involves three aspects: the school, the student, and the community. The students benefit from the earnings of salaries, and gains the responsibility of holding down a job. The community benefits through the tax contributions withheld from the students wages, along with the services that the students help to provide. Opportunities offered in work experience provides alternatives within the high school curriculum.

Work experience coordinators Don Anderson and Gene Killoy offer two credits per year to any student in the program who works a minimum of fifteen hours per week, keeps track of their hours, and attends two of the three seminars held each nine weeks. These seminars help students with any problems they may be having with their place of employment.

The work experience office is now open all summer to aid graduating seniors find work and also to help students find summer jobs.

WHEN THE SAWDUST CLEARS, AND THE SPARKS DISAPPEAR

In summation, Mr. Owings feels that 1976-77 was a good year and alot was learned and accomplished. In his five classes, a little over a hundred students total, only four of these people are girls. A small achievement was teaching his pupils to construct various duck calls, ranging in size from the very, very minimum to the foot long, fancier models. Owings did, of course, teach and assist in construction of many other projects. Such as: house numbers made of plywood to desks and vanities of maple. Costs of these projects range from fifty cents to seventy-five dollars for the wood shop students.

As a class, rather than individual, students built work benches for nearby grade schools - to prepare the younger children for years to come. Also, they have constructed, with supervision from Mr. Owings, book shelves for the Oregon City Episcopalian Church. He based the class studies on power and hand tools and future occupations for the average student.

Though woods and metal are both shop classes offered to give students both the knowledge and ability they will need in the future, there are differences too. Metal shop, taught by Mr. Ramsey, is centered on smaller individual assignments. The class supplies obstacles so that when the students leave the class, he will have training for all the necessary machinery. Mr. Ramsey teaches his students welding, using the lathe and background on foundry (casting metal). One problem in metal shop is the cost of the metal to the worker. The school now owns several items because the students have not paid. This gives Mr. Ramsey reason to keep the class' projects small. Just an example: a can opener of a funnel, the projects vary depending on the need or want of the individual. The idea stressed in metal shop is learning rather than having fun and the basic skills and exploration in the field of metal, preparing each person for jobs and colleg

CONSTRUCTION CENTERS AROUND DISTRICT NEEDS

Not to be satisfied with "The House That Ward Built", this years' Construction clas proved to be the ones to count on.

A group of twenty-eight students showed a ability to not only do their jobs, but to do the so well they were elected for more jobs--over professional builders.

Concerned mainly with the framing of the District Office and the Kiln Building, they als went on to remodel both South End and Barcla Grade Schools. With the quality of the Construction Class' work, Larry Ward-teacher and founder of the class- is assured that the program will be available for many years to come.

ELECTRONICS—A SHOCKING EXPERIENCE

Electronics is a cluster class offered at the high school for students who want to go into the professional field. The usual projects for Electronics 1-2 involve color organs, strobe lights, and amplifiers. Getting further into it however, the 3-4 and 5-6 classes learn how to use, repair and rebuild different types of equipment including oscillascopes, televisions, radios, even stereos.

Many students prove to be highly efficient in electronics, people like Terry Meehan (Electronics award winner), Steve and Garren Davis. With the effort they have put into it, it should prove a very rewarding career.

Y.A. IMPROVES LIVES

YOUTH ADVENTURES is a program for youth who desire to change past behaviors and experience new adventures in daily living. These are students just like anyone else with the exceptio that they live in one large family dedicated to growth and change. All students are under the supervision of "Children Services Division" for various reasons and each individual has made his/her own commitment to work with staff and fellow students to experience a successful life as a winner. Choosing to make this commitment involves accepting a supportive structure to reach these goals, Y.A. students make a commitment to be open and honest about how they feel about themselves and others. Also Y.A. students meet their needs through people rather than through temporary substitutes or artificial relationships. Students earn many levels of status, and experience more freedom and responsibility as they progress through the program. Y.A. students are people just like you. They are learning to feel O.K. about themselves and believe that all people are O.K. Y.A. students enjoy current activities and fellow student Y.A. students enjoy OCHS and its entire student body. Y.A. students are attempting to step out of the taken-for-granted world of failure, fantasy and powerlessness and desire to achieve reality, independence, and responsibility. The students thank OCHS for a great year and invite the friendship of all fellow OCHS students. Please feel free to drop by the Y.A. office anytime to visit, ask questions, or just get acquainted.

CLASSROOM

GUESS WHAT? TEACHERS ARE NOT JUST TEACHERS ANYMORE . . .

That's right! No longer do teachers weld bullwhips . . . instead they work toward higher degrees, spend endless hours coaching after school sports, helping out the clubs as advisors; many teachers go way out of their way to help students with a special assignment. In what remains of their spare time, these special people still find time to engage in exciting hobbies, as well as running businesses on the side.

↑ **DAVID BAETKEY** (Sociology-US 20th) Parkrose grad. class of '61. Went to U of O and PSU with a MS degree.

↑ **DON ANDERSON** (Work Experience) OCHS graduate of 1950. Attended PSU with a BS degree. He enjoys hiking.

1. Dale Potts-Principal

After being at Oregon City for three years, Mr. Potts has resigned to go into business. The changes and attitude he has brought will be much appreciated.

2. Ralph Teters-Vice Principal

Also at the High School for three years, Mr. Teters has made major revisions in the schedule to benefit everybody. He will be an English teacher next year.

3. Randy McMichael-Vice Principal

In his second year at Oregon City, Mr. Michael has made the administration closer to the students, gave them a chance to work together. He will continue in place of Mr. Teters.

4. Tim Tutty-Attendance Counselor

Given the rough job of giving detention, Mr. Tutty has declined for next year.

To the class of '77...

Ideals are like stars. You will not
succeed in touching them
with your hands.
But like the seafaring man on the
desert of waters, you
choose them as your guides,
and following them
you will reach your destiny.

ACTION JACKSON,

STAY WITH YOUR
CURRENT ATTITUDE
YOU'LE DEFINETLY BECOME
A STUD. KEEP PLAYING TENNIS
BOXING AND BASEBALL. (GIRLS TO)

DANDER

Howdy Jackson,
What ya been doing up at
Mt Hood? Hopefully I'll get to
visit your apartment soon, that is if
you get one. I'll come over & show
ya my pictures soon. It's been
great knowing ya dude. Good luck in all
ya do.

Your Bud
Bill Schwahn

Jack-
You are a super friend and
you will have to ride in
the Cordoba sometime. Lots
of luck at college, and
being on the staff.
Love,
Jill Martin

JACK -
YOU REALLY
CAME THROUGH
WITH THOSE
PICTURES LAST
YEAR IN
YEARBOOK -
KEEP UP
THE GOOD
WORK IN
BASEBALL!
Lonny

JACK,
HI! THE ONLY
TIME I THINK I
REALLY KNEW YOU
WAS BACK IN 9th
GRADE! THOSE WERE
THE DAYS. TIME FLIES
DOESN'T IT? WELL,
TAKE CARE OF YOUR-
SELF AND THAT NICE
'64! WELL SEE YOU
AROUND JACK!
LOVE
Eileen

Jack, Glad you
found a college to accept
you (ha! ha!)! Really, in short,
hope you find happiness in life.
Kevin
Drew

Jack,
I'm glad I
got to know a gr
guy. I hope you
life & thanks for all
the help in class.
Good Luck!
always a friend
